Membership Dues

In an effort to provide the best service possible, the Baker County Chamber of Commerce and Visitors Bureau has restructured membership dues and services available to its membership.

To make the transition to the new dues and services structure easy, renewing members have the option of either the new or existing membership dues structure.

Any member who has already renewed their membership under the existing dues structure can up-grade to the new dues and services structure for the difference in price prorated to the end of their anniversary date.

All 2011 memberships will be transitioned to the new dues and services structure.
